This is the route I travelled myself: 18 days from Windhoek all the way to Victoria Falls, entirely private. You drive over the Gamsberg Pass to a guest farm, hike in the Naukluft, watch the sun rise over the dunes of Sossusvlei, visit the cheetahs of the Cheetah Conservation Fund and look for elephants and rhinos from waterhole to waterhole in Etosha. Then you head for the green north: the Okavango at Rundu, the rivers and wetlands of the Caprivi, the elephants of Chobe in Botswana and finally Victoria Falls, from Zambia and from Zimbabwe. You choose: behind the wheel of a 4x4 that is waiting for you or with a private driver. Would you also like to see the coast at Swakopmund, Damaraland or the Kalahari? I am happy to add them. You start whenever you like.

DAY 8 Thousands of fur seals at Cape Cross

DAY 9 Ancient rock engravings at Twyfelfontein (UNESCO)

My recommended route

This is the route as I put it together for you. It is a starting point, not a fixed programme: leave out what doesn't appeal to you, add what you would like to do and travel at your own pace. This is the route I travelled myself, from Windhoek via the dunes of Sossusvlei and Etosha to the Caprivi, Chobe and Victoria Falls. Driving times are indicative.

DAY 1 **Departure for Namibia** NACHTVLUCHT / OVERNIGHT FLIGHT

Overnight flight to Windhoek with one connection (e.g. via Frankfurt, Johannesburg or Doha). You leave on the day that suits you.

DAY 2 **Arrival in Windhoek** WINDHOEK ♦ BREAKFAST

At Hosea Kutako airport your 4x4 is waiting, with a thorough briefing on the vehicle, tyre pressure and driving on gravel; if you travel with a private driver, he meets you in the arrivals hall. After an easy drive into town (approx. 45 min) you relax by the pool. In the afternoon you walk through the centre: the Alte Feste, the Christuskirche, the Tintenpalast with its gardens and the meteorite fountain in Post Street Mall. For your first evening I have a cosy address with a good wine list for you; it is in your travel plan.

DAY 3 **Over the Kupferberg and Gamsberg passes** GAMSBERG (KHOMAS HOCHLAND) ♦ BREAKFAST · DINNER

Now the journey really begins. You drive over the Kupferberg Pass and past the table mountain of the Gamsberg over the Gamsberg Pass to a guest farm in the Khomas Hochland (approx. 3 hours). On the way you picnic with a view over the mountains. In the afternoon you take a short or longer walk on the farm, perhaps past San rock paintings, and at sunset your host takes you on your first sundowner drive: your first real African sunset.

Red Kalahari dunes at sunset

DAY 4 **Solitaire and hiking in the Naukluft** NAUKLUFT (REGIO BÜLLSPORT) ♦ BREAKFAST · DINNER

Via Solitaire, the hamlet with old rusty cars in the sand, a little shop and the famous apple pie, you drive to Büllsport at the foot of the Naukluft mountains (approx. 2 hours). There you choose a hike, the Ridge Trail or the Kudu Trail, and picnic along the way with a lunch pack from the farm. Then a short hour to your lodge in the mountains, where you can swim or take another walk.

DAY 5 **Sossusvlei, Deadvlei and Sesriem Canyon** SESRIEM/SOSSUSVLEI (C19) ♦ BREAKFAST · DINNER

Today you get up very early, because the dunes are at their most beautiful in the first light. You drive to the park (approx. 2 hours) and climb Dune 45 or another high dune. The park's 4x4 shuttle takes you to the Sossusvlei pan and you walk to Deadvlei, with its centuries-old dead camel-thorn trees among the orange dunes. After a snack at Sesriem you walk through the narrow Sesriem Canyon. Then another hour to your lodge, with a small pool and dinner under the stars.

DAY 6 **Over the Gaub and Kuiseb passes to the Erongo** ERONGO (REGIO KARIBIB) ♦ BREAKFAST · DINNER

After a last stop in Solitaire (fuel and picnic supplies) you drive over the Gaub and Kuiseb passes, through bare canyons and the gravel plains of the Namib, to the Erongo (approx. 300 km of gravel, a full but beautiful driving day). Your lodge lies among red granite mountains, with a pool to unwind; if you like, take another walk or a sundowner drive.

Hohenzollern House in German-colonial Swakopmund

DAY 7 **The cheetahs of Otjiwarongo and on to Etosha** ETOSHA WEST (ANDERSSON GATE) ♦ BREAKFAST · DINNER

On tarmac via Karibib, Okahandja and Otjiwarongo to the Cheetah Conservation Fund (approx. 3 hours), the centre that works for the survival of the cheetah in the wild. You get a guided tour and join the cheetah drive, among the cheetahs that found a home here. Then approx. 2 more hours to your lodge close to Etosha's Andersson Gate.

DAY 8**Across Etosha** ETOSHA OOST (VON LINDEQUIST GATE) ♦ BREAKFAST · DINNER

A full day of game viewing in Etosha, from waterhole to waterhole, from Andersson Gate via Okaukuejo and Halali to the east of the park, with viewpoints over the white salt pan. Rhinos, lions, elephants, giraffes, zebras and large herds of springbok: with a little luck you see them all. You picnic in the park and leave through Von Lindequist Gate to your lodge.

DAY 9**Eastern Etosha, Lake Otjikoto and Tsumeb** TSUMEB ♦ BREAKFAST

One more morning in eastern Etosha, on your own or on the lodge's morning game drive (option). Then you drive to Tsumeb (approx. 1 hour) with a stop at Lake Otjikoto, a deep, bright blue sinkhole. In Tsumeb you stroll through the green mining town and there is time for a swim.

DAY 10**Rundu and the Okavango** RUNDU ♦ BREAKFAST · DINNER

Via Grootfontein to Rundu on the Okavango (approx. 3 hours). In the afternoon you visit the Mbunza Living Museum, where the residents show you how the Kavango people used to live, from making fire to pottery and smithing; if you like, you make something yourself. Towards sunset you head out on the river that separates Namibia from Angola, by boat or by kayak.

Zebras and springbok at the Okaukuejo waterhole

DAY 11**Popa Falls, Mahango and the Caprivi** KWANDO (ZAMBEZI-REGIO) ♦ BREAKFAST · DINNER

Through the Caprivi Strip, the narrow band of Namibia between Angola and Botswana. After approx. 1.5 hours you stop at Popa Falls, rapids in the Okavango, and a little further you drive the loop through the Mahango area of Bwabwata National Park, along the river, with elephants, buffaloes and rare antelope. In the afternoon approx. 2 hours to your camp on the Kwando, where you stay two nights; if you like, join a boat trip or a walk.

DAY 12**Nkasa Rupara National Park** KWANDO (ZAMBEZI-REGIO) ♦ BREAKFAST · DINNER

Today you really go off the beaten track: Nkasa Rupara National Park (approx. 1 hour from your camp), a green wetland full of water, elephants, buffaloes and birds, reachable by 4x4 only. After heavy rain we choose Mudumu National Park instead, which is just as beautiful.

DAY 13**To Kasane and the Chobe River** KASANE (BOTSWANA) ♦ BREAKFAST

You leave Namibia and drive to Kasane in Botswana (approx. 3 hours), where you return the 4x4. In the afternoon you take a sunset cruise on the Chobe River, among elephants coming to drink, hippos, crocodiles and countless birds.

DAY 14**Game drive in Chobe National Park** KASANE (BOTSWANA) ♦ BREAKFAST

Early in the morning you head into Chobe National Park in an open safari vehicle with a guide, the land of the great elephant herds; with a little luck you also see lions or leopards. You are back around midday and have the afternoon free to enjoy the river.

DAY 15**To Livingstone and Victoria Falls** LIVINGSTONE (ZAMBIA) ♦ BREAKFAST

A driver takes you over the Kazungula bridge to Livingstone in Zambia (approx. 2 hours). After check-in and lunch you walk to Victoria Falls on the Zambian side, along the viewpoints and, if you like, down to the Boiling Pot. The falls are so powerful that a raincoat comes in handy.

DAY 16**The falls from Zimbabwe** LIVINGSTONE (ZAMBIA) ♦ BREAKFAST

Today you see the falls from the other side. You walk over the famous Victoria Falls Bridge into Zimbabwe and follow the path along the viewpoints, with Cataract View and Danger Point as highlights. My tip: a helicopter flight over the falls in the afternoon (option), the finest view of the whole trip.

DAY 17**Departure from Livingstone** NACHTVLUCHT / OVERNIGHT FLIGHT ♦ BREAKFAST

Transfer to Livingstone airport (approx. 20 min) and flight to Johannesburg, where you connect to your overnight flight home.

DAY 18**Arrival in Belgium**

Arrival in Belgium. In the week after you get home I call you for a debrief.

What I arrange for you

1 Pickup on arrival

At Hosea Kutako airport you are met. Self-drivers are taken to the depot in Windhoek, where the 4x4 is waiting with a thorough briefing; with a private driver, your driver is in the arrivals hall himself. In Kasane you return the vehicle; then a driver takes you to Livingstone and, on the last day, to Livingstone airport.

2 Hotels

Every night is booked and confirmed in advance, at the level you choose: Budget, Comfort or Premium. Prefer another hotel? I change it.

3 Transport

You choose: self-drive with a rental car waiting for you, or a private driver and private transfers. Domestic flights, trains and boats where they make sense, all booked in advance.

4 Activities, at your pace

The activities and entrance tickets on the route. No guide or group travels with you: you set the pace, and anything you would rather skip, you simply leave out.

5 Eat wherever you like

Breakfast is included, as are the meals at remote camps and lodges where there is no alternative. For the rest I give you my restaurant tips, but you are completely free to choose where you eat. I never recommend a place because I earn a commission on it.

Premium the best addresses on the ground	€6,500 p.p.	€9,300 p.p.

WITH 3 OR 4 TRAVELLERS

the price per person is calculated per party size: you share rooms and transport. E.g. Comfort, private driver: 3 travellers €5,950 p.p., 4 travellers €5,410 p.p.

TRAVELLING SOLO

calculated price for 1 traveller, with your own room and transport. E.g. Comfort, private driver: €11,990 p.p.

INTERNATIONAL FLIGHT

I'm happy to book your flight for you, or you book it yourself; if I book it, the flight price for your dates is in your personal quote. Flight Brussels–Windhoek, returning from Livingstone via Johannesburg, not included: allow about €1,100–1,800 p.p. depending on the month (July and August are the most expensive). I'm happy to book the flight for you, or you book it yourself.

SELF-DRIVE

Namibia is Africa's self-drive country par excellence, and that is how I travelled this route myself. You pick up your 4x4 in Windhoek and return it in Kasane in Botswana. You get a vehicle with two spare wheels and zero-excess insurance, a thorough briefing and a road book with driving times, fuel stops and road conditions. Fuel is paid locally (indicative ± €420 per vehicle for the whole route). You drive on the left, at 80 km/h at most on gravel and never after dark. Driving days usually take 2 to 5 hours; the longest is the day over the Gaub and Kuiseb passes. The rental company gives you the border papers for Botswana.

WITH A PRIVATE DRIVER

Rather not drive on gravel yourself? Then you travel from Windhoek to Kasane with one dedicated driver-guide in a 4x4. He speaks English and Afrikaans (which Flemish speakers understand well), knows the roads and the waterholes and also drives you through Etosha, Mahango and Nkasa Rupara. Fuel and your driver's accommodation are included.

ESTIMATED PRICES

Estimated prices: per person, based on 2 travellers sharing a room, excl. international flight, estimated from desk research (2027 price level). The binding price is the one in your personal proposal and booking confirmation.

Practical information

VISA (BELGIAN CITIZENS)

Namibia: Belgians have needed a visa since 1 April 2025: N\$1,600 pp (approx. €85, indicative price), valid for 30 days. I apply for the e-visa for you in advance via the official portal (eservices.mhaiss.gov.na); for this, send me a scan of your passport photo page, a recent digital passport photo and your flight details. You pay the visa fee yourself. Botswana and Zambia: no visa needed for Belgians. Zimbabwe: for your walk over the bridge you buy a visa at the border (US\$30, single entry) or, if you like, the KAZA visa (US\$50) for Zambia and Zimbabwe together; returning to Zambia is visa-free. Your passport must be valid for at least 6 months on arrival and have enough blank pages for four countries (allow 6). If you travel with children, I will ask you for the extra documents Namibia and Botswana require.

HEALTH

No mandatory vaccinations when arriving directly from Belgium (yellow fever: only when arriving from, or with a long transit through, a yellow fever country). Malaria: the south, Windhoek and the Namib are malaria-free. From Etosha onwards, and certainly in the Caprivi, Chobe and at Victoria Falls, you travel through a malaria area: discuss preventive antimalarial tablets and mosquito protection with a travel clinic (ITG/Wanda), for days 7 to 17. Because of a malaria outbreak in northern Namibia (update 22 September 2026), Wanda also recommends prevention in June to August.

CURRENCY & PAYMENT

Namibia: Namibian dollar (NAD), pegged 1:1 to the South African rand. Botswana: pula (BWP). Zambia and Zimbabwe: US dollars in cash are handy for the visa and taxis. Cards accepted at most lodges.

FLIGHT TIME FROM BRUSSELS

Out: approx. 12–15 hours with one connection (e.g. Frankfurt–Windhoek direct approx. 10 hours). Back: Livingstone–Johannesburg approx. 1.5 hours, then an overnight flight to Europe.

TIME DIFFERENCE

Namibia, Botswana, Zambia and Zimbabwe (UTC+2): +1 hour in Belgian winter, no difference in Belgian summer.

LANGUAGE

English everywhere; in Namibia also Afrikaans and German, and many local languages.

MEALS

Breakfast is included every day. At the remote lodges (from the Gamsberg to the Caprivi) dinner is included too at Comfort and Premium, because there is no alternative. In Windhoek, Tsumeb, Kasane and Livingstone you choose where to eat; I give you my restaurant recommendations. Lunch is often a picnic along the way.

GUIDES

By default you travel without a guide. Prefer a guide? I can add a local guide to any activity.

As of September 2026: check diplomatie.belgium.be (travel advice) and wanda.be (health) before you travel.

Travelling responsibly

Namibia was the first African country to write environmental protection into its constitution. You visit the Cheetah Conservation Fund, which helps farmers and cheetahs live side by side, and the Mbunza Living Museum, run by the community itself. In the Caprivi you stay at a small camp that works with local people. In the desert you stay on the tracks and use water sparingly.
